BISTRO / SERVING TROLLEY

Rolling elegance in the Urban Jungle.

A soft, rounded, multi-functional serving trolley. Inspired by nature with colors sourced from the depths of the forest, and natural tanned leather that meets the hand. Together, an unusually sophisticated combination for the moving needs.

MATERIALS
The trolley and the pot consist of 25% recycled material with choice of five colors; olive, copper brown, anthracite, white and beige. The metal is powder coating which provides both environmental and quality benefits as no solvents need to be added and the amount of waste is a minimum.

Choice of tray and lid in oak veneer and white pigmented ash veneer, FSC labeled.

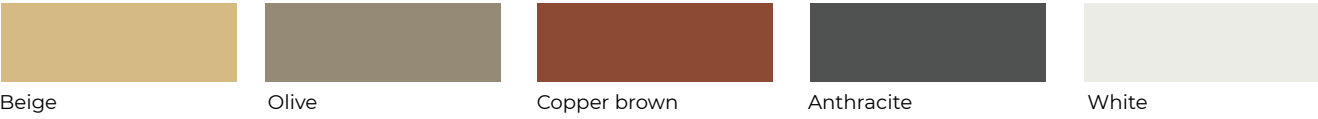

All leather is vegetable tanned leather from Tärnsjö Garveri.
